

Charm++ - Cleanup #1490

Automatically set NVCC path in Makefile of example program

04/07/2017 03:47 PM - Jaemin Choi

Status:	New	Start date:	04/07/2017
Priority:	Normal	Due date:	
Assignee:	Jaemin Choi	% Done:	0%
Category:	GPU Support	Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
We should create a script that is called inside each Makefile that finds out the path to NVCC and use that to compile CUDA programs.
