Charm++ - Cleanup #1999

Cleanup # 1997 (New): Improve coverage of tests for ck.C

evaluate record/replay in make test

10/18/2018 01:26 PM - Eric Bohm

Status: New  Start date: 10/18/2018
Priority: Normal  Due date:

Category: Build & Test Automation  Estimated time: 0.00 hour
Target version:  Spent time: 0.00 hour

Description
pretty sure tests exist for record replay, but they are either not being run, or are not exercising a lot of code in ck.C

try some experiments with that in the context of coverage analysis to find out what needs to be done to improve measured coverage.
